An abstract white line drawing on a black background. It features several sharp, intersecting lines that form a series of nested, angular shapes, resembling a stylized letter 'L' or a corner of a building. The lines are thin and precise, creating a high-contrast, geometric composition.

Dedication

MRS. RANADA BOHENNA

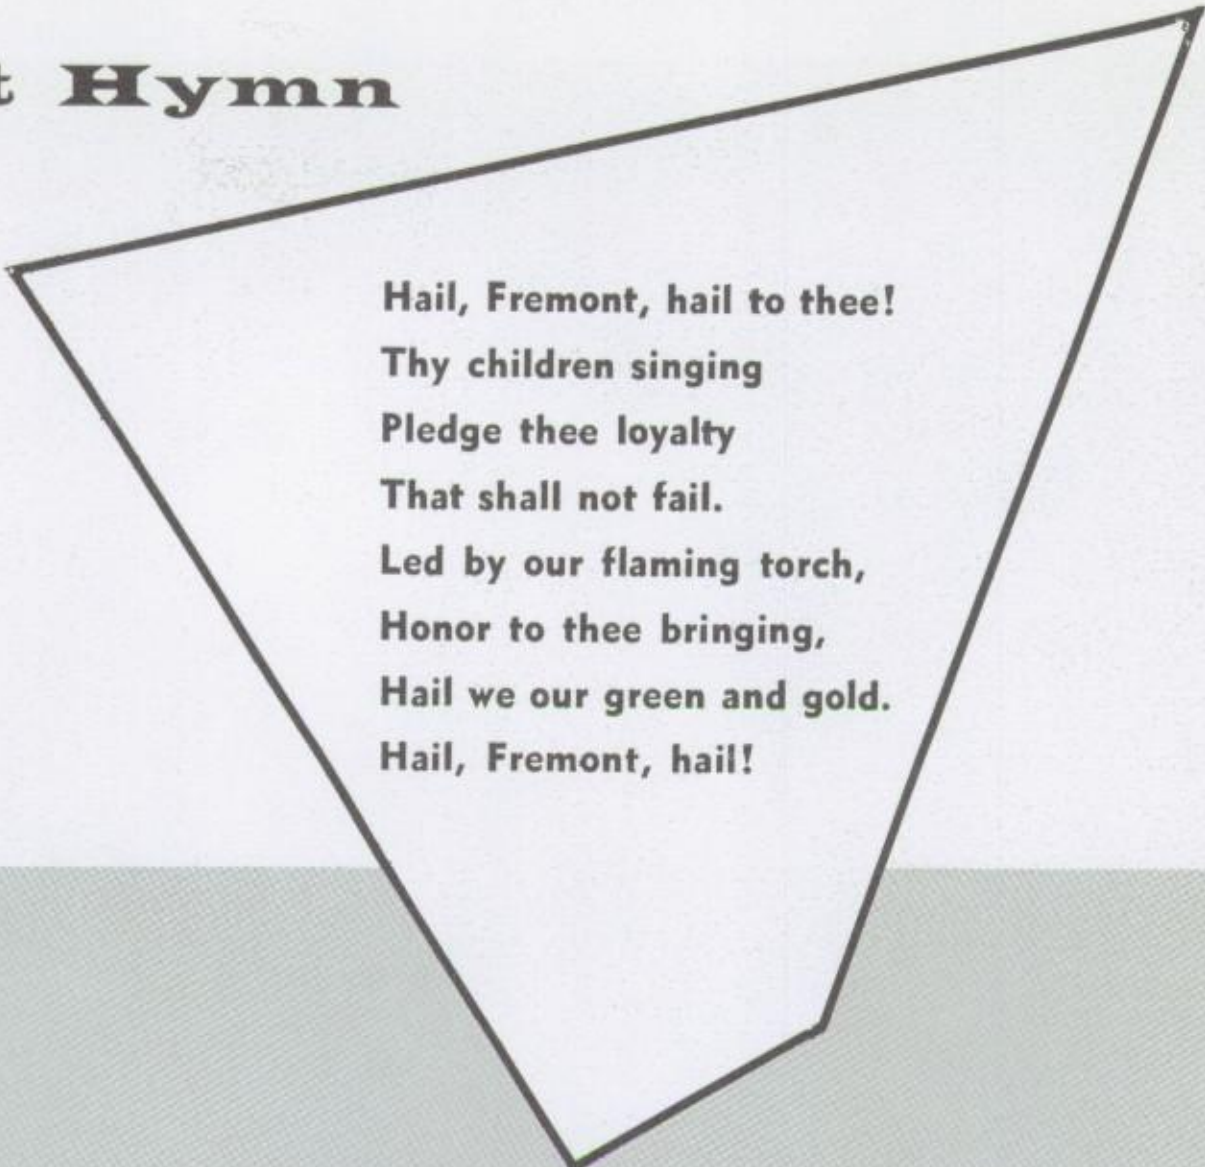

The Student Body of Fremont High School dedicates the Flame of 1962 with great affection to Mrs. Ranada Bohenna.

Mrs. Bohenna has skillfully taken over Leadership Class and in her first year has led it to make Fremont a more interesting and lively place, always filled with spirit and smiling faces.

Mrs. Bohenna has spread her personality throughout school. She is a friend of truth and lives by it every day. She has inspired those who know her with her lovely thoughts about the world we live in.

May we show our appreciation to you, Mrs. Bohenna, for everything you have done for us, by dedicating this Flame to you.

Fremont Hymn

Hail, Fremont, hail to thee!
Thy children singing
Pledge thee loyalty
That shall not fail.
Led by our flaming torch,
Honor to thee bringing,
Hail we our green and gold.
Hail, Fremont, hail!

The Fremont Creed

We will do right for right's sake.

We will respect the rights of others.

We will never bring disgrace to this, our school, by any act of dishonesty or cowardice, nor ever desert our suffering comrades in the ranks.

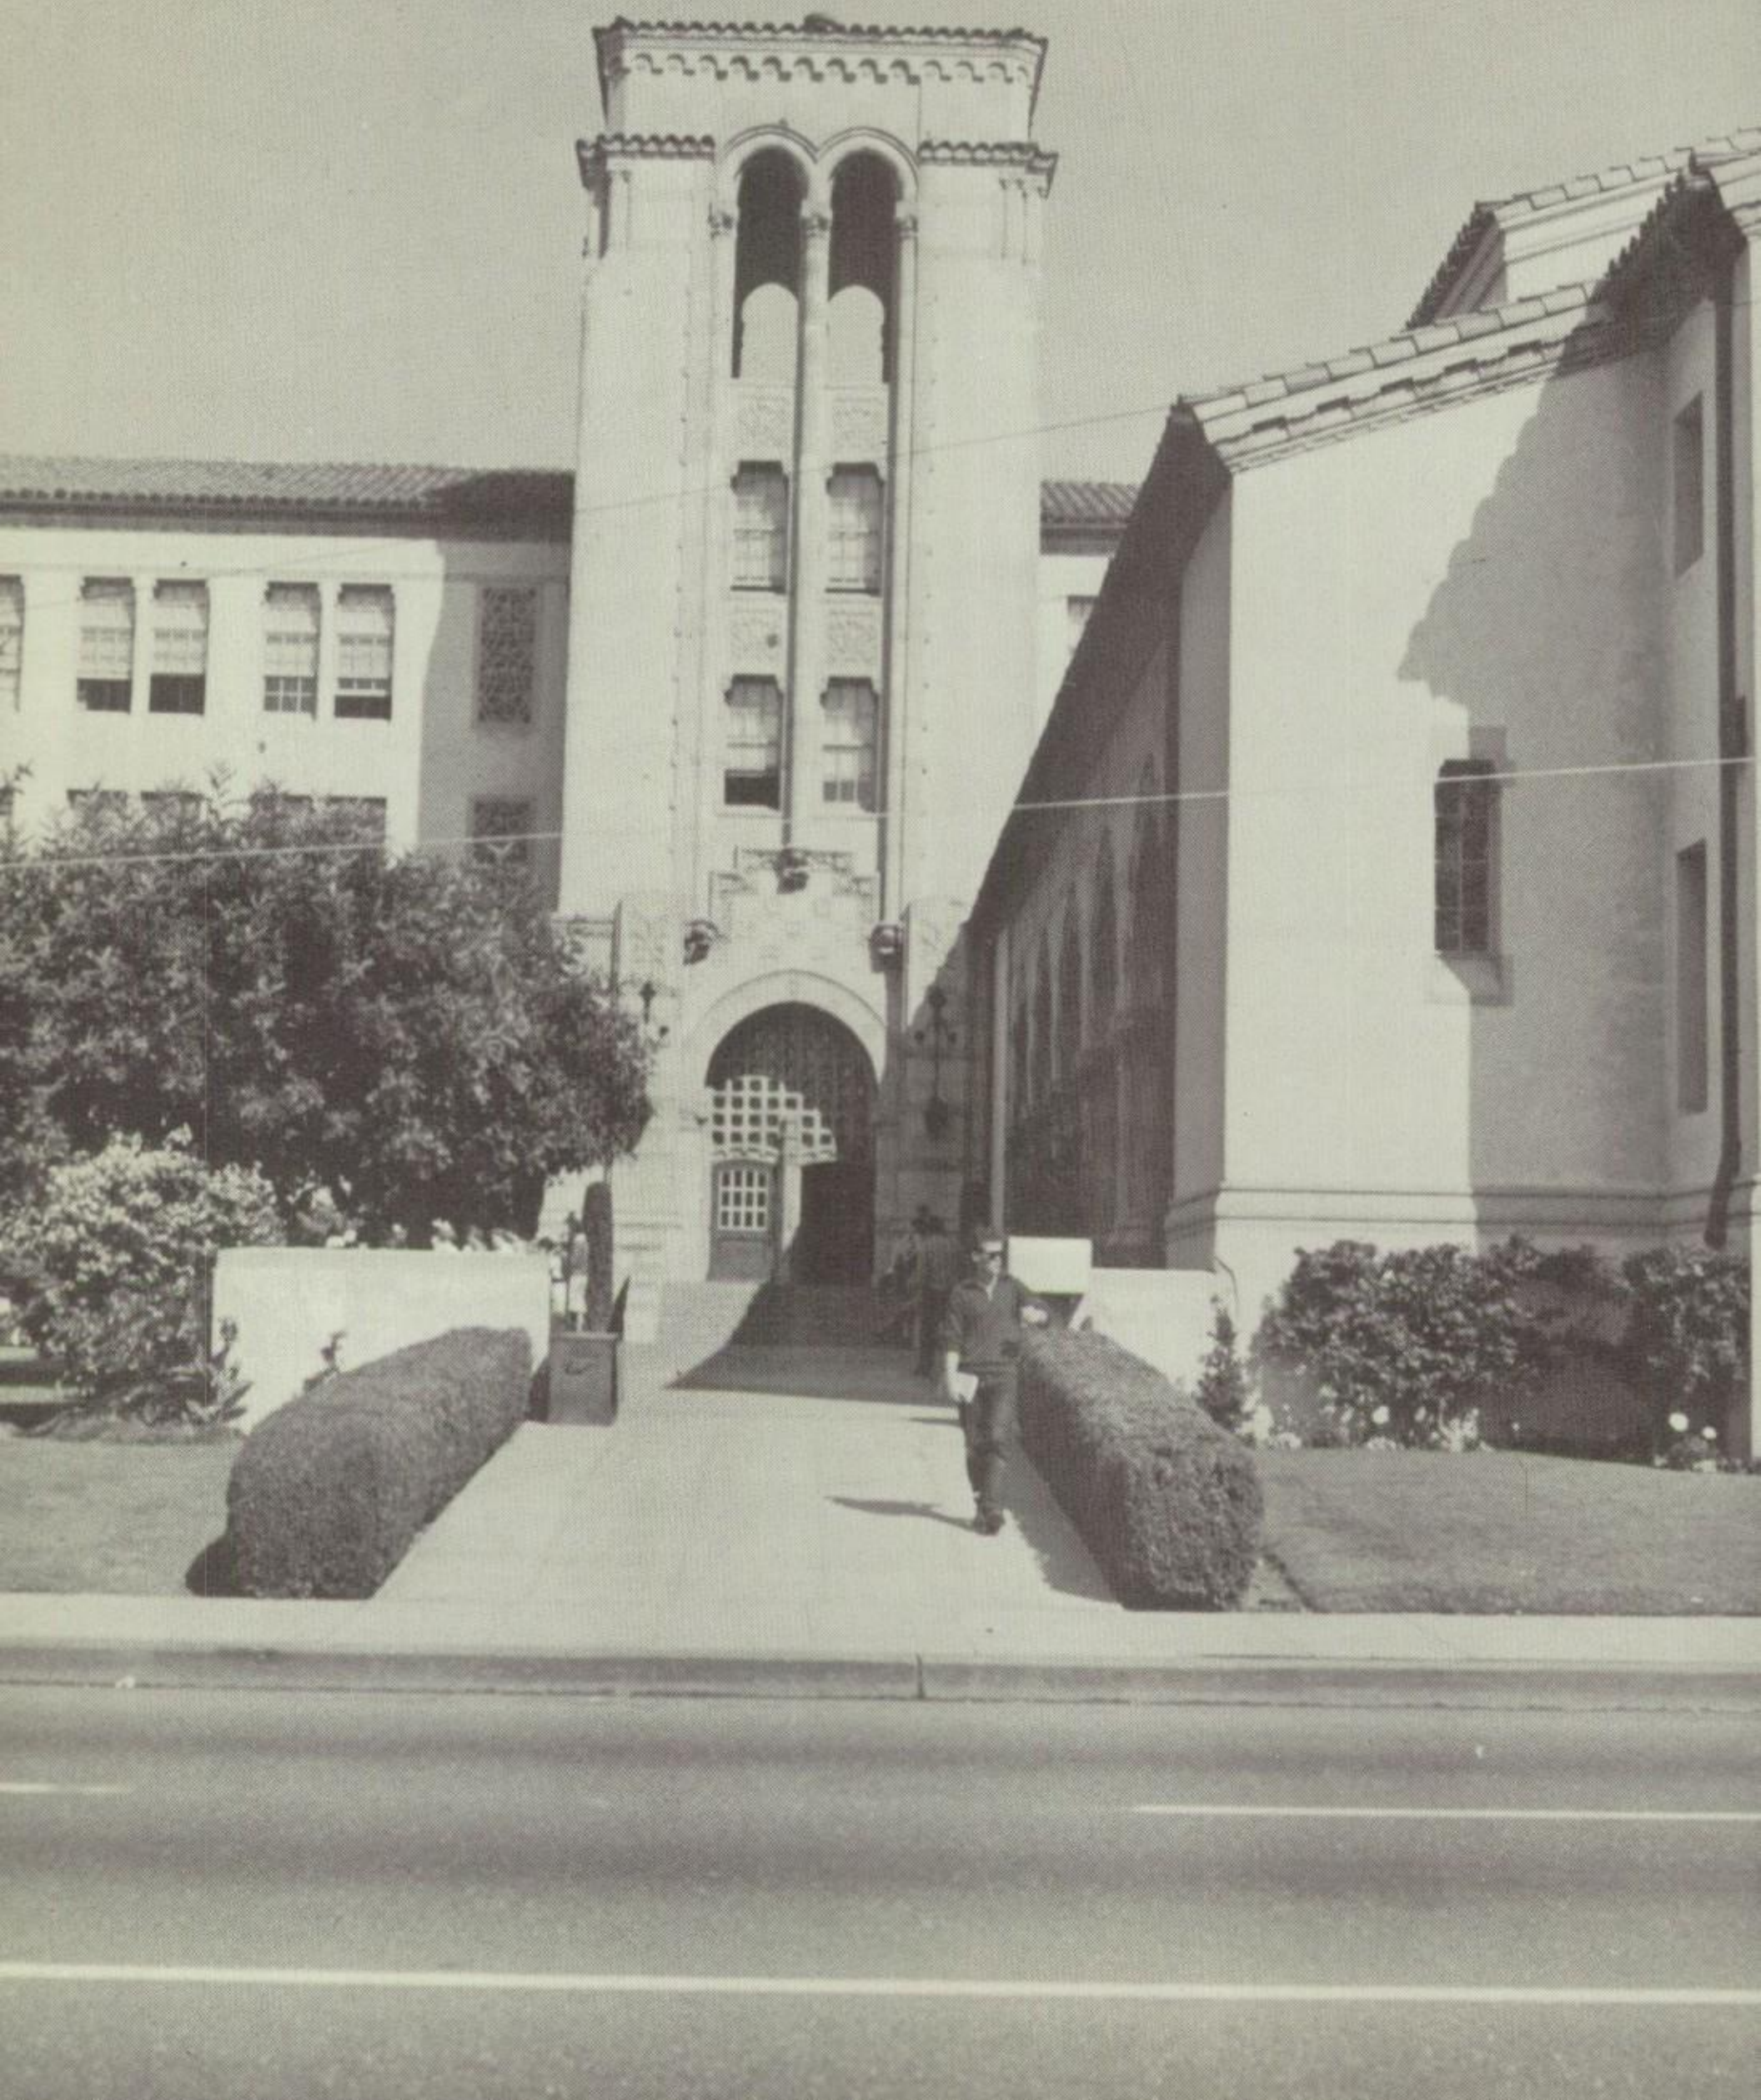

We will live for the ideals and sacred things of the school, both alone and with many.

We will revere and obey the school's laws and will do our best to inspire a like respect and reverence in those about us who are prone to annul or set them at naught.

We will strive unceasingly to quicken the public sense of civic duty.

Thus in these ways we will transmit this school not less, but greater, better and more beautiful that it was transmitted to us.

SENIORS

MRS. TRIESTE HALL

To The Class of 1962—

It has been a real experience to travel along with you these three years at Fremont. I have shared in the excitement of entering high school and now the satisfaction in the achievement of graduation. The trials of grievances and disappointments fade into partial oblivion as you reach out and take that diploma.

As your counselors, we expressed faith in you as a Tenth Grade class. Each year you have met the new challenges of service and loyalty to deserve this faith. Your response to cooperation each to the other and with your faculty has steadily increased.

May you continue to develop your integrity in the appreciation of the fine things in your culture and to understand your responsibility to privileges. You will be remembered as a very fine class, each of you giving your best to the class as a whole. May you accomplish a good life and fine success in all you desire to do.

—Trieste Hall

Counselors

MRS. JOYE WATERS

To The Class of 1962—

Congratulations and best wishes on this happy occasion. I am proud to have had a role in counseling so fine a group of students.

To me the dominant characteristic of your class has been an unusually strong spirit of individualism. This trait, more than any other one, has been responsible for your exceptionally fine accomplishments in all areas of school life. It is this quality that has enabled you to make a strengthening contribution to the spirit of school unity that is so basic to the tradition of Fremont.

To prophesy your future in so dynamic an era as the present one would be a difficult task. The one prediction that I feel able to make is that the initiative, creative thinking, and perseverance that you have displayed here at Fremont are excellent qualities that will be of inestimable worth to you throughout your lives.

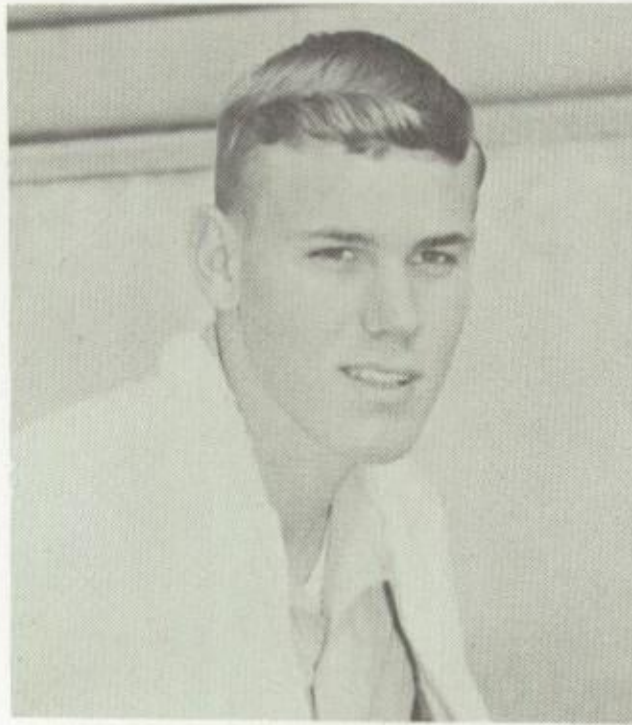

And so good-bye to each and every one of you. I am confident that your coming careers will be characterized by an abundance of happiness and success.

—Joye Waters

MISS ELEANOR BENDELL

Miss Bendell, though faced with the problem of new names and connecting them with faces, has enjoyed the new 10th grade class and is planning their future in Fremont.

Miss Bendell says, "In two years, we shall be looking at the achievements of the Class of '64. You have made a fine start. Keep up the good work and let's make the remaining years even better."

Mr. Slater has been busy planning the future activities of his tenth grade class. It has been a very active group.

Mr. Slater says, "Class of 1964: The record of your first year at Fremont is in this Flame. You've started well. May the next two years be just as good."

Friendly Lore

Becomes Loyal Fremonter

Dear John C.,

Would you mind being my messenger for a while? The ancient Romans called their god-messenger, Mercurium. Since I started to study mythology, he has been my favorite god. Today I need you, my modern Mercurium. I would like you to murmur a grateful thank you to Mrs. Wickert, who did so much for the success of my stay at Fremont, and to the faculty members whom I was so fortunate to have as teachers. Mrs. Bchenna taught me how to serve my school better with humility and faith; Mrs. Cook has been more than a friend to me; Mr. Gage helped me patiently with my speeches; Mrs. J. Hall made it easy for me to understand the structure of the government; Mr. McNeil enjoyed finding the similarities between Italian and Spanish; Mr. Minasian worked so earnestly and put so much effort in the A.F.S. program; and Mrs. Muto was a wonderful example that we girls tried hard to follow.

Dear John C., you should also stop at a few other doors: at Mr. Boles', Mrs. T. Hall's and Mr. Riese's. I enjoyed their lessons also. The list should include many more people, but I would end writing names and names. So I shall add only a special thank you to Mr. Abbott, Mrs. Waters, and Mrs. Miller.

Since I first came, I have grown quite fond of Fremont. I am just as proud as you are, John C., to be a Fremonter. One of the nicest experiences here was being a member of the Leadership Class.

Will you also say to my American family, Reena and Judy Olsen, and their parents, how thankful I am to them for their love.

And finally, take, please, this message to the students: "Siate leali ora verso la vostra scuola, e lo sarete in sequito verso la vostra patria." ("Be loyal to your school now, and you will be loyal to your country later.")

I hope deeply to see some of you in Italy and to maintain contacts with you.

Thank you so much, John C.

Love,

Loredana Pellizzari
